Hi Parents

Today we have a number of students participating in the Callide Athletics trials. No doubt our students are displaying wonderful sportsmanship. Well done to all our students.

Attention Families

It has come to my attention today that there was some unacceptable behaviour at the last P&C meeting involving many of the students who stayed behind. This is a concern and is upsetting to the entire Prospect Creek community. Students are being unsafe around our horse and have vandalised the hall out the front of the school. As a result of this vandalism, windows are smashed and the contents of the building are now exposed to the weather.

Students have been spoken to about behaviour at P&C meetings on numerous occasions. Their behaviour is now escalating. We have a number of options that we will discuss at our next meeting on Tuesday July 11. The first option is that we move the meeting to a later timeslot allowing students to remain at home. The second option is that we hold the meeting at the regular time, but students who are able to go home should do so. Students who must stay need to bring their homework to complete at a table under the school building. There will be no more unsupervised play.

At our next meeting, we will also need to discuss the cleaning and repairs of the building. I will follow up with this incident on Monday as some of these students were away today. It would be appreciated if you could have a chat with your child over the weekend to discuss the seriousness of their behaviour.

Just a reminder that our reports will go home Wednesday 22 June. We send our reports home early to enable conversations to take place with families. We encourage you to touch base with your child’s teacher/teachers to discuss progress and effort.

Market Day

Just a reminder that we have our upcoming Market Day on Saturday 30 July. As this is our major fundraiser, we will be asking all families to assist on the day. We have received multiple donations for raffle items. Raffle tickets will be sold at Woolworths on the following dates:

Fri 17 June, Wed 22 June, Fri 1 July, Tue 14 July, Thurs 16 July, Fri 18 July and Tues 28 July. We also require someone to help out at Markets in the Park on Saturday 18 June. Please contact the school if you can help out with selling raffle tickets on these dates.

Year 6

An exciting week for our Year 6 students looking into their futures. On Monday they participated in the fun at the Careers Market. Chappy and our Year 6 students visited the stalls, asked questions and got to bring back a bag full of goodies! This is a wonderful opportunity and beneficial for our seniors.

On Thursday they had a visit from Biloela State High School teacher to talk about their transition process. These students took home a brochure outlining future plans to transition our Year 6 students into high school. The first transition day will be in Term 3.
P-2 News

P-2 had a fantastic time participating in the rugby clinic last Friday and will again today! Throughout the week, the preps have continued creating and refining their shop and their play. They enjoy this time immensely.

The year 1 and 2 students have been improving their writing skills by using adjectives.

The prep students have been practising their play and a student suggested we need hay or straw. If you are able to donate or know someone with hay/straw, could you please contact me? Thanks in advance.

Reader folders will be given to students on Monday and will need to be returned on the 22nd of June.

Don’t forget to bring in your library bags.

Thank you!

Australia’s Biggest Morning Tea

Monday 20 June

Please remember to keep spreading the invitation.

Students will be invited to bring a plate for a shared morning tea and they can wear yellow (or blue if you have no yellow) on the day. We will be asking students for a $2 donation.

P-2 News

Optimistic

Word of the Week

The prep students attempted writing their first ‘written’ story. It was great to see how hard they are trying to hear all the sounds in each word.

Goovigen School Visit

Friday 22nd June

Permission Form due today!

Remember

3-6 class have a trip over to Gladstone to meet the State of Origin team on Tuesday 14th June.

Please be at school by 8.30am for a 9am departure.

They will be home by 5pm.

First day of our NRL Rugby Clinic
Thank you to those families who have promptly returned their Canberra paperwork. Please remember that this is due in next week. Your assistance in returning the paperwork promptly will assist me in collating relevant information and forwarding this on. This information will inform catering, sleeping arrangements, seating arrangements on planes and medical plans so it is extremely important. As you may of realised, there was an error with the medical forms and you may have been given a form with someone else’s name on it. This won’t matter, just cross out the name and write the correct name on the form. Admin in training, my apologies for this error.

Also a reminder that the **last payment for camp is due Thursday 23 June**. All money must be paid by this date. An invoice was sent home last week to pay a $200 invoice that was due last term for camp. When Leisa returns from leave, an invoice for the remaining money owing will be sent home. Please remember that the **entire $508 must be paid by Thursday 23 June. We will not be booking final seats on planes for children who have not paid the $508 in full.**

We head off to Gladstone on Tuesday for our excursion to the Maritime Museum and NRL clinic. Students will need to be in full school uniform, have their school hats and have a packed lunch. There will be no refrigeration so please pack foods that are safe to be kept at room temperature. Please arrive at school by 8:30am ready for a 9am departure.

We have been working on using evaluative language in our texts to ‘show and not tell’. We are still working on this but a few students have been able to email me their work.

Enjoy!

*The two had worked for hours and they could barely stand. They had achieved a lot in a day’s work, although they had cuts and bruises. During 4 weeks of training they would find ways to improve their skills, and archery is only one of the many skills that they would use to improve their combat. Sam.*

*It took months for him to find the Shadow Lord. He crouched down for he heard something trying to steal the gems. He ran to the gems and hid. Josh.*
