Dear Carers and Parents,

MOURA SPEAKING COMPETITION

Best of luck to Charley McQuade-Hall who will be representing Prospect Creek State School at today’s final for the small school’s Speaking Competition in Moura. Charley was one of three students chosen to move on to the final round after competing in Goovigen against 11 other students last week. Congratulations to Charley and best of luck for Wednesday!

**QSCHOOLS APP**

You may have seen on the news that the government has launched a free app for parents and carers with students in Queensland schools called QSCHOOLS. This app provides you with easy access to the school calendar, news, and a pdf of our latest and archived newsletters. I do not use the words “easy access” frivolously. I was able to download the app and set it up on my iPhone for Prospect Creek State School in a matter of minutes.

App benefits for parents/caregivers include:

- Searching for the nearest school by current location, postcode, school name or suburb and view school contact details
- Adding multiple schools as favourites to enable parents to view updates from multiple schools in a single view
- Accessing the latest school news and events to stay informed
- Receiving emergency announcements and information around school closures
- Convenient and prompt method of receiving messages/information from school/s

I would love to hear back from you if you have successfully installed the app and have given it a try.
